On behalf of the Sacred Heart Church, St Vincent de Paul Society of Conroe Texas, we thank you for your generous donations of food and other essential supplies received at our shelter facility after Hurricane Harvey. As you are well aware, Hurricane Harvey left thousands of families here in Conroe and within the Houston area stranded without basic necessities, like water, food, and clothing, not to mention housing. Your donations of over 88 tons helped provide immediate relief to our clients meeting their essential needs. For over 2 weeks, our shelter served over 65 families with medical, food, clothing, showers, and a secure facility that supported their needs. The truckloads of goods, well over 88 tons, helped families not only here in Conroe TX but also families around the greater Houston area.

Our success in supporting our clients would not have been possible without the untiring work of your greater Norwalk Ohio participants and coordinators:

**Edison High School, Teen Leadership Corps, Mrs. Seel  
Answering the Call Together, ACT Organization, David Wallace  
NORWECO, President Greg Graves  
Ploger Trucking Company and drivers, Shane and Zack  
Bradford Moslener, Clinton, Ohio**

Their selfless and energetic efforts, as well as countless others, represent the true and best essence of human dignity in support of others who are less fortunate. Again a BIG Texas THANK YOU!

Sincerely,

Shari Malloy,
